---

## **PRODUCT DESCRIPTION**

The enzie special ladder is a concertina ladder in casing with cover and comes to you fully assembled. The Ladder is suitable for ceiling heights up to 3600 mm

### **CASING:**

Various opening sizes are available to suit your requirements.

### **SAFE:**

The enzie special ladder is made from sturdy aluminium with steps 360 x 140 x 26 mm (465 x 140x26mm for ModelXL) and is made from an anti-skid surface. A built in Handrail ensures safe ascent and decent.

### **HARDWARE:**

Ladder comes with hook to pull the ladder down and guidance control system. An architrave is included.

### **EASY TO USE:**

The unique spring balancing mechanism allows you to operate your ladder without fear of it snapping shut into the ceiling or falling down.
